REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: As evidenced by the Javier '411, Leininger et al. '435, Brooke et al. '183, Smith '113, Wright et al. '232, Smith '053, Berge '565, Warman '642, and Roisaeth et al. '047 references, conventional low friction patient transfer devices typically comprise a single tube having respective upper and lower runs disposed upon at least one support surface, as opposed to a patient transfer device having the particular structure of *a pair* of low-friction tubes (or at least two respective pairs of upper and lower runs) *coupled to each other* by an intermediate member *on opposed sides of a support surface* as specified in Applicant's independent claims 23, 32, and 33. Consequently, the examiner respectfully asserts that the application is currently in proper condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert G. Santos whose telephone number is (703) 308-7469.

The examiner can normally be reached on Tu-Fr and first Mondays, 10:30 a.m. to 8:00 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Heather C. Shackelford can be reached on (703) 308-2978. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
